

Community SPONSORSHIP

Dear Supporters of Public Education,

South Colby Parent Teacher Student Organization (PTSO) is pleased to announce that we are resuming our Community Sponsorship Program. Through the generous donations of local businesses, South Colby will feature supporting company logos on a headliner banner for prime visibility of your endorsement in our school parking lot. Participating in our Community Sponsorship Program not only provides vital funding to our school but also promotes your business with a prime showcase of your belief in public education and sense of community to over 320 families. In addition, we will add your logo to a professionally made Sponsor Poster, displayed within our school gymnasium for all community events. There will also be a dedicated section of our PTSO website (southcolbyptso.com) to display each of the Community Sponsors and our public Facebook banner. If that isn't incentive enough, the **South Colby PTSO is a registered 501c(3) Organization** so your sponsorship is tax deductible! We would love to gain your annual support and add you to our list of contributors!

We pride ourselves in making sure every dollar raised goes directly back to our school! In recent years we have provided 65 new Google Chrome Books and two new Google Chrome Book charging carts, curriculum support, T.E.A.M.S. activities and supplies, family fun events, assemblies and much more. As you can see, each child student benefits from the PTSO and its fundraisers. Without these funds, South Colby could not provide these essential enhancements and programs to the entire student body population. Your support of this fundraiser is vital to our school and immensely appreciated by our community.
