5th Grade Camp Sponsorship

South Colby Elementary strives to provide a full education for our students & expand our learning opportunities into nature. Each year, we have a goal to send our entire 5th grade class to the Outdoor & Environmental Education program at YMCA Camp Seymour. At camp, our students will explore ecosystems, understand natural resources & improve team building skills.

We are reaching out to the community for extra support with our Camp Scholarship Fund. The cost of camp is **\$400.00** per student & many of our families need extra financial help. Your generosity for our scholarship fund could impact our community greatly. South Colby PTSO is an IRS designated 501(c)3 organization & all donations are tax-deductible.

Thank you for your consideration!
